

FULLWELL SN POLICING TEAM - COMMUNITY UPDATE

Over the next few weeks you will be receiving through your door the Metropolitan Police Safer Neighbourhoods corporate quarterly newsletter detailing work around issues within Fullwell Ward.

This update sheet is to bring to your attention some of our more recent successes in and around local criminal activity.

CASH TILL – ARRESTS

Over the last few months there have been numerous issues around the cash tills within the High Street Barkingside, whereby persons have been placing devices over the cash dispensers in order to steal money.

Officers from Fullwell SN Team during March arrested 2 males who were witnessed by police “tampering” with the cash tills at Barclays Bank.

These males, with the assistance of the Local Authority CCTV Team, were followed and arrested away from the High Street in possession of articles and equipment consistent with being used in the organised theft from ATM’s.

The activities of these males are now being investigated by the CID and it is anticipated several charges will follow.

CANNABIS FACTORY CLOSURES

Over the last Four months Officers from Fullwell SN Team have executed 4 search warrants at addresses within Fullwell Ward and as a result have discovered and closed down 4 active Cannabis factories.

Collectively these Cannabis factories contained over 1600 plants and a total of 5 persons were arrested during the execution of these search warrants.

Those arrested now face charges of Production of Cannabis and Possession with intent to supply Cannabis resulting in an appearance at Crown Court and eventual imprisonment.
