**News** from your local policing team

**MARCH 2011**

Your local Safer Neighbourhoods policing team is here to tackle the issues that matter to you by working with partner agencies in order to find lasting solutions. Please contact us with any concerns you may have, or visit the above mentioned website for further information.

## **Public Set Priorities**

We listen to the concerns of the community and our priorities are set by local people who sit on a neighbourhood panel.

You said the following priorities were important to you:

- **Burglary** (Ward Wide)
- **Vehicle Crime** (Ward Wide)
- **Anti Social Behaviour** (Wedmore Ave and associated area)

## **Burglary.**

During the month of February 2011 Fullwell ward suffered with **7** residential burglaries, **4** Attempted and **1** non residential burglary.

Redbridge Police have arrested several prominent local offenders during the month of February. It is hoped that as a result of this we have made significant inroads into the offence of Burglary within the borough.

## **Theft of / Theft from Motor Vehicle.**

During the month of February there were **5** vehicles stolen and **4** theft from vehicles allegations within Fullwell ward. Vehicle registration plates are still being stolen from vehicles – please contact us on the number shown if you require a set of **FREE** “anti-theft” screws. SN officers are in the process of arranging a big “**NIKUREG**” event to be held locally in the near future. Please see local notice boards, following news-letters and our web site for details for forthcoming events and meetings.

## **A.S.B - Wedmore Ave and immediate vicinity.**

SN officers have begun concentrating their patrols in both uniform and plain clothes (at varying times) in and around Wedmore Avenue in order to deal with the problem of A.S.B associated with

the area and nearby park. Liaison with the Local Authority and Parks Police is under way with a view to co-ordinating our approach and implementing making changes to the area that will enhance the quality of life for those that live near to and or use the park.

## **Arrests and other Matters.**

During the month of February Fullwell SNT officers have arrested **8** people for offences of such as Theft, T.D.A, production of cannabis and making off without payment.

We have also issued **8** Fixed Penalty Notices (£80.00) for offences such as threatening behaviour, and possession of cannabis.

We have issued **4** endorsable traffic tickets to persons who were caught driving whilst using their mobile phones.

We have also issued **2** cannabis warnings.

## **Cannabis Factory Closure.**

During February Fullwell SNT officers discovered a large Cannabis factory which contained over **500** cannabis plants within a residential address within the ward. **1** male was arrested upon the discovery and was later charged re his involvement in the production and cultivation of Cannabis.
